- It is your responsibility to contact us immediately if you discover information that will lead to a change in your return.
- It is your responsibility to contact us immediately if you receive any notice from the IRS, Social Security Administration, Texas Secretary of State, Texas Comptroller, or any other Federal, State, or Local governmental agency. Please send us the notice immediately and be sure NOT TO WRITE ON THE OFFICIAL CORRESPONDENCE. Scroggins CPAs reserves the right to charge a reasonable fee for assisting in handling and responding to any and all IRS letters and notices.
- That you will provide complete and correct information necessary to prepare your tax returns no later than 10 business days prior to the filing deadline. Due to increased labor costs on some projects completed more quickly than 10 business days, Scroggins CPAs may charge a Rush Fee on such project requests.

IRS AUDITS

The climate within the IRS and the state taxing agencies is changing when it comes to audits. In our general area, the number of IRS audits has increased dramatically. Due to this rise, as always you need to exercise extreme caution and care in assembling and preparing your records for your tax appointment. The following are procedures that you are agreeing to and policies that Scroggins CPAs will follow:

- You understand that all tax agencies have the right to examine your returns, and that you are ultimately responsible for retaining all the documentation and records which were used to compile your returns. This is especially important in the area of business travel, entertainment deductions, business use percentage of autos and home use, other depreciable assets, bartering and trading activities.
- If there is a direct error on the part of Scroggins CPAs, we will first attempt to have that portion of the penalty that you are assessed by the IRS waived, and may pay that penalty if the requests are denied. Scroggins CPAs will not be responsible for compensating you for the interest that you might be charged as interest is calculated on your balance due. This is with the understanding that you let Scroggins CPAs respond to all audits, letters and correspondence with the IRS and notify Scroggins CPAs in a timely fashion as to any correspondence received.
- You understand that if your tax return is called for an audit, that you will be charged an audit fee. This fee is to assemble your completed records in the manner which is acceptable for an audit. You will be charged a reasonable hourly fee to

prepare and represent you in your audit. The audit fee also includes the audit interview, assembling the organized data into our audit format and the actual audit which usually takes three business days. If your records are not presented in an organized manner, Scroggins CPAs reserves the right to bill out at ordinary rates to organize your records.
